AT VARIANCE
OVER PEACE TERMS

By WILLIAM L. MAILLARD
[STAFF CORRESPONDENT I. N. SERVICE]
LONDON, Dec. 7.—Sun Fain peace terms, as revealed today by the Daily Graphic, are at wide variance with the proposals contained in the house of lords. According to this newspaper, they provide for a single Irish parliament instead of a dual parliament as set forth in the home rule bill. Sun Fain insists upon the right to establish its own militia and police force but does not wish an Irish navy. Furthermore the Sun Fain ask for fiscal autonomy and the power to negotiate commercial treaties on the principle of Irish independence.

It is reported that a Sinn Fein envoy has been in London for five weeks to consult with republican leaders.

How a prospective
mother prepared
for baby's coming

Of all the vital adventures in life, the birth of a baby is the climax of nature's most wonderful evolution.

During this period, nature is supposed to be preparing the internal organism of a woman for a safe and speedy delivery; but it is more the exception than the rule when nature, unaided, performs her part at the crisis in a manner to relieve pain and contribute to comfort.

"I was afraid," writes a prospective mother, "until an experienced mother told me about MOTHER'S FRIEND," "—but now I cannot recommend MOTHER'S FRIEND too highly for I know it helped me wonderfully, and I can almost say my baby was born without pain. At the present time I am using it again, as I do not want to go thru the ordeal without it."

Three generations of prospective mothers have used MOTHER'S FRIEND. When gently applied, during the period of expectancy, it soothes the fine network of nerves, lubricates the broad, flat, abdominal muscles and prepares the way for an easier, quicker and practical delivery.

For valuable booklet—"MOTHERHOOD and The BABY"—free, fill in coupon below and mail direct to the makers of MOTHER'S FRIEND.

WARNING: Avoid using plain oils, greases and substitutes—they act only on the skin and may cause harm without doing good.
